Tour Metro Nashville’s Award-Winning Fire Station 19

Winner of the 2017 Governor’s Environmental Stewardship Award for Building Green

Members of the media are invited to tour Nashville’s Fire Station 19 facility on June 28, 2017 at 11:30am. The exclusive tour will be guided by Laurel Creech, Assistant Director, Metro Department of General Services’ Division of Sustainability and the building’s LEED designer Mike Leonard of greenSTUDIO. Highlights include innovative health and sustainability features of this [LEED® Platinum](#) facility, which has recently been awarded Gov. Haslam’s “[Governor’s Environmental Stewardship Award](#).” Learn more about Fire Station 19 [here](#).

WHO: Director Nancy Whittemore, Department of General Services; Director Chief Ricky White, Nashville Fire Department; Laurel Creech, Assistant Director, Division of Sustainability, Metro Department of General Services; Mike Leonard, Managing Principal, greenSTUDIO.

WHAT: Tour of LEED certified sustainable building, Metro Nashville’s Fire Station 19

WHEN: Wednesday, June 28, 11:30 – 12:00noon

WHERE: 520 26th Ave. N. 37209. Park across the street at Lentz Public Health Center.

This tour will be followed at noon by a tour open to the general public.

About Socket – Unplug Nashville

[Socket – Unplug Nashville](#) is Nashville Metro Government Department of General Services’ (DGS) interactive sustainability education program. *Socket* educates Metro employees and the general Nashville public about the environmental, health, and financial benefits of DGS’s initiatives and actions for the office or home to save energy and water while reducing waste and greenhouse gas emissions. *Socket* is creating awareness, changing behavior and engaging the people of Nashville to help build a sustainable city for generations to come.
